Montgomery Kennel Club Minutes – April 16, 2014 Meeting

The meeting was held at Goodwin Community Center and called to order by Jane Williams at 7:10 pm. There were 20 members present.

Secretary's Report: After correcting the spelling of Nancy Bean's name, the minutes from the March meeting were approved on a motion by Milly Frakes and second by Michelle Howard.

Treasurer's Report: Christina Flack presented the Treasurer's report which was approved on a motion by Mike Moore and second by Milly Frakes.

Club Picnic: The picnic had been planned for May 4 which is also the day the Bark for Life will be held at Blount Park. Other possible dates either conflicted with dog shows, or the park was unavailable, so Michelle Howard suggested that the picnic be postponed until the fall.

Bark for Life: There was a discussion about participation in the Bark for Life. Trish was to coordinate this event and man the education table, however, she was unavailable and no one else was able to fill in on such short notice. It was decided that the date is just not convenient and MKC would not be able to participate as a club, however, members were encouraged to

participate individually. Jane will contact Trish and let her know that the date just isn't convenient.

Bark in the Park: There will be a Bark in the Park at a Biscuits game in July. More details will be available later.

COMMITTEE REPORTS:

Trophies: Baba Monk announced that this would be the last year she would be able to do the trophies. Anyone interested in taking over the trophies should let Jane and Baba know as soon as possible. Baba would like to work with the new Chair of the Trophy Committee and do some on the job training.

Trophies for this year will be:

Friday's show: Coolers (like last year) \$8.50
 Custom designed mugs with the MKC logo \$15.00

Saturday's show: Traditional Trophies

Baba will send out the information about the items left from last year.

The paperwork has to be turned in to Mike in July.

Meet the Breed: Alan Hackel announced that there would be a Meet the Breed at the Pet Supermarket on Perry Hill Road on May 17 from 10 a.m. until 2 p.m. Alan had flyers for members to distribute so people will know about the event.

Bring water for your dogs, mats, and if your dog is a small breed, you can bring a small table.

Brenda will get the Meet the Breed signs.

The next Meet the Breed will be in Wetumpka on September 21.

Show Committee: Mike Moore is working on the judges.

Volunteers are needed for the Judges' luncheons on Friday and Saturday. Jane suggested that we do paninis and salads one day. Several members offered to bring Panini presses and to help. Jane will coordinate.

There was also a discussion about possibly doing soup one day.

Genie will do the decorating for both days.

Conformation Classes: Christina announced that there would be two more conformation classes before breaking for the summer. Classes will resume in September or October.

Old Business: There was no old business.

Mike Moore introduced our guest speaker, Steven Tears with the Montgomery Humane Society. Mr. Tears spoke of several matters including, spay/neuter programs, issues facing the shelter and legislation.

Jane presented Mr. Tears with a check from MKC for the Shelter.

The door prize was won by Linda Gamper

The meeting adjourned at 8:10 pm.

Respectfully submitted,
Linda Gamper
Secretary

TROPHIES

Hi MKC Members,

It's trophy time again. For Friday's table I have selected two items for you to choose from. The hand thrown pottery mug designed specifically for the MKC trophy table and the cooler that was featured in November 2013.

I will also be using any leftover blanket throws on Friday's table.

Cost: Mugs \$15.00

Coolers: \$8.50

Saturday's table is the traditional member's choice. I have a list of what was left from the November 2013 show. If you have not received an email from me about leftover trophies, please email or call me.

Trophy pledges are due by June 20.

Thanks in advance for your prompt attention.

THANK YOU!!!!

A big thank you to everyone who participated in the Meet the Breed program on Saturday, May 17th at Pet Supermarket: Claire Edwards, Ray and Andrea Kunert, Jane McNeill Masterson, Teresa Keever, Jane Williams, Beth Williams, Eric Johnson (the winner of the drawing for a goodie basket donated by Pet Supermarket) , Corrine and Frank Dreyfus, Christina Flack, and Nancy Bean. Also, a special thanks to Frank who provided some great chocolate chunk cookies. Thanks as well to the patient and friendly dogs who greeted everyone and each other. There were a lot of oohs and aahs as folks greeted the dogs and asked a lot of great questions. We think we generated some interest in MKC as well. Thanks again, Alan and Joan.

CONFORMATION CLASSES

Donna McLamb has offered to teach an 8 week class to those interested in learning about conformation. There is only room for 6 people. Four spots are already filled. The class will be free. We are working out dates and times now. She plans to come tomorrow night to speak with the membership.

BRAGS

Piper is reporting in for the Sheltie Krewe and Collie Boys. First, they traveled to Perry for a Nose Work seminar which was moved off the show site so he didn't get to participate. He was sad though he got to do other things. He tried out coursing for fun one day then mother took him back another day and he chased those white bags all over the field and did a nose dive at the end. Mom informed him that he now had his first leg toward a coursing title. Another day he went and learned about sheep and earned his herding instinct certificate. Then they traveled to Brandon for an AKC agility trial where Clipper earned a leg in Open FAST with a first place. Clipper said this judge knew how to set the clock for the correct time. This past weekend they headed south to Van Cleave for a NADAC trial. He got to see his buddy Connor plus he got to play. On Sunday, he ran in Tunnelers and got another leg and a first place. His brother, Clipper, ran and "Q"ed in Touch-N-Go which earned him his Outstanding Touch-N-Go Novice certificate. He heard that he will be going on a trip to pick up his new Sheltie brother. He has been keeping tabs on him ever since he [Keegan] was born. Miss Judy couldn't trick him by moving him to a different location. Lots of licks and yips to Kelsey to get better real quick.

Susan Barmby

Please email me your brags at cflack12@yahoo.com! When you do send me your brag, please include the dogs registered name and the breed. Also put brag in the subject line.

VOLUNTEERS

Please let Corrine at corrine.k.dreyfus.civ@mail.mil know if you can volunteer for anything. There are numerous things we need volunteers for. For example, meet the breed, education, and dog shows. Signing up for various things does not mean you are obligated. You will just be contacted when needed and if you are not available at the time, you can just say no. Please consider being a volunteer.

All-Breed Basics Review & Advanced Conformation Handling Seminars with Laurin Howard

Saturday & Sunday, June 28 & 29, 2014

ADOG, 3929 Green Industrial Way, Chamblee, GA 30341
Indoors, air-conditioned, and fully matted

Saturday: REVIEW OF THE BASICS. This approximately 8-hour seminar reviews the 4 basic handling techniques—baiting, stacking, gaiting, and patterns—in a systematic and easily understandable way. Questions are encouraged at all times. Only the most advanced handlers do not benefit from this seminar. Handouts included.

Sunday: ADVANCED. For advanced students, this approximately 8-hour seminar takes the basic handler to the next level. Laurin builds on the 4 essentials above and adds techniques to increase the handler's skill and to emphasize dog–handler teamwork. Handlers learn about highlighting virtues and hiding faults; dress; ring strategy; and training techniques. Each student is videoed at the start and end of the day for viewing by the entire class.

Handler criteria for Advanced working spot: Adults who have won at least 2 majors (not necessarily with same dog) and who are comfortable in the ring. Juniors who have won 3 or more Best Junior awards. Anyone in this class must use a well-trained dog.

PRIVATE INSTRUCTION: Monday, June 30, for students working in or auditing the seminar(s). Cost: \$35 per half hour.

ABOUT LAURIN

Laurin, who lives near Lexington, Kentucky, began as an owner-handler during the 1970s and loved it so much that she worked her way into professional handling in the early 1980s. She has shown hundreds of dogs, from all 7 groups. Her dogs have won bests in show, specialty bests of breed, and over 100 group wins and placements. Laurin showed her breeder-owner-handled Springer to 13 all-breed bests in show and nearly 50 group firsts—so she understands the desire to “do it yourself.” Laurin emphasizes “personal best” and prioritizes safety, courtesy, and good sportsmanship.

Laurin has taught handling since 1980, and teaching is her favorite activity. Her students have become successful owner-handlers who have finished and specialed their own dogs; several have won bests in show. A few have become professional handlers themselves. Laurin has tutored many successful juniors, including several who have ranked #1 in their breeds, qualified for Eukanuba and Westminster, and made it to the Juniors finals at Westminster. One of her Juniors won the 2006 and 2007 Pedigree Top Junior award; 6 have won groups; and 2 have won all-breed bests in show.
